

Local Councils in England

Annual return for the year ended 31 March 2013

Local councils in England with an annual turnover of £6.5 million or less must complete an annual return in accordance with proper practices summarising their activities at the end of each financial year. In this annual return the term 'local council' includes a Parish Meeting, a Parish Council and a Town Council.

The annual return on pages 2 to 5 is made up of four sections:

- **Sections 1 and 2** are completed by the person nominated by the local council.
- **Section 3** is completed by the external auditor appointed by the Audit Commission.
- **Section 4** is completed by the local council's internal audit provider.

Each council must approve this annual return no later than 30 June 2013.

Completing your annual return

Guidance notes, including a completion checklist, are provided on page 6 and at relevant points in the annual return.

Complete all sections highlighted in green. Do **not** leave any green box blank. Incomplete or incorrect returns require additional external audit work and may incur additional costs.

Send the annual return, together with your bank reconciliation as at 31 March 2013, an explanation of any significant year on year variances in the accounting statements and any additional information requested, to your external auditor by the due date.

Your external auditor will identify and ask for any additional documents needed for audit. Therefore, unless requested, do **not** send any original financial records to the external auditor.

Audited and certified annual returns will be returned to the local council for publication or public display of sections 1, 2 and 3. You must publish or display the audited annual return by 30 September 2013.

It should not be necessary for you to contact the external auditor or the Audit Commission directly for guidance.

More guidance on completing this annual return is available in the Practitioners' Guide for local councils that can be downloaded from www.nalc.gov.uk or from www.slcc.co.uk

Guidance notes on completing the 2012/13 annual return

- 1 You must apply proper practices for preparing this annual return. Proper practices are found in the *Practitioners' Guide** which is updated from time to time and contains everything you should need to prepare successfully for your financial year-end and the subsequent audit. Both NALC and SLCC have helplines if you want to talk through any problem you encounter.
- 2 Make sure that your annual return is complete (i.e. no empty green boxes), and is properly signed and dated. Avoid making any amendments to the completed return. But, if this is unavoidable, make sure the amendments are drawn to the attention of and approved by the council, properly initialled and an explanation is provided to the external auditor. Annual returns containing unapproved or unexplained amendments will be returned unaudited and may incur additional costs.
- 3 Use the checklist provided below. Use a second pair of eyes, perhaps a council member or the Chair, to review your annual return for completeness before sending it to the external auditor.
- 4 Do not send the external auditor any information not specifically asked for. Doing so is not helpful. However, you must notify the external auditor of any change of Clerk, Responsible Finance Officer or Chair.
- 5 Make sure that the copy of the bank reconciliation which you send to your external auditor with the annual return covers **all** your bank accounts. If your council holds any short-term investments, note their value on the bank reconciliation. The external auditor must be able to agree your bank reconciliation to Box 8 on the Accounting Statements (Section 1). **You must provide an explanation for any difference between Box 7 and Box 8.** More help on bank reconciliation is available in the *Practitioners' Guide**.
- 6 **Explain fully** significant variances in the accounting statements on page 2. Do not just send in a copy of your detailed accounting records instead of this explanation. The external auditor wants to know that **you** understand the reasons for all variances. Include complete analysis to support your explanation. There are a number of examples provided in the *Practitioners' Guide** to assist you.
- 7 If the external auditor has to review unsolicited information, or receives an incomplete bank reconciliation, or you do not fully explain variances, this may incur additional costs for which the auditor will make a charge.
- 8 Make sure that your accounting statements add up and the balance carried forward from the previous year (Box 7 of 2012) equals the balance brought forward in the current year (Box 1 of 2013).
- 9 **Do not complete section 3.** The external auditor will complete it at the conclusion of the audit.

Explanation of variances

Name of Council: **Neatishead Parish Council**

The NALC/SLCC "Practitioners' Guide 2010" provides guidance on explaining significant variances. (This is not just a matter for the audit, as it is good practice for the RFO to provide the council with explanations for differences between one year's actual expenditure/income and the next, and between budgeted and actual expenditure/income in a year, as part of the normal budgetary control arrangements and when setting the precept.)

Please explain any variances of more than 15% between the totals for individual boxes. We do not require an explanation for variances of less than £200, however, in some cases there may be 'compensating' variances which leave the overall total for a box relatively unchanged – for example, where there was a major one-off project in 2010/11 (e.g. contribution to village hall extension of £30,000) but a totally different expense of a similar size in 2011/12 (e.g. purchase of playground equipment of £28,000). In such cases it would be helpful to provide an explanation of movements within each box. We would also ask you to explain any change where there is a movement to or from zero.
